

Weekly Review – Rosewood Class

Friday 22nd November 2019

English

In English this week, we have been recapping work on possessive apostrophes and learning about plural possessive apostrophes. The concepts are hard but the children are doing really well at understanding this.

SINGULAR	PLURAL
dog's house	dogs' house
book's words	books' words
girl's dolls	girls' dolls
bird's chicks	birds' chicks
man's computer	men's computers
child's video game	children's

Maths

This week in Maths, we have been multiplying by 10 and 100 and dividing by 10 and 100. The children have used charts to practice this and have solved word problems to consolidate their understanding of this topic.

History

This week, we have been learning about how Vikings invaded England. We learnt about longships and the different parts of the boats. We drew our own pictures of the boats writing about each of the important parts like the prow, sail, oars, hull, shields and rudder. Soon we will start building our own Viking longships.

Messages

Apologies for the homework this week. We have now covered multiplying and dividing by 10 and 100 and will go over this homework in class.

Diary Dates

To help raise funds this term, each class in KS2 is taking it in turns to run a bake sale outside the school entrance on the last Friday of each month. **Class Rosewood's sale will take place on Friday, 29th November.** All the money raised will go towards the school's book wish list. To make this possible, we need donations from you - the parents, carers and children of Class Rosewood. If you would like to contribute, please send your child into school with their donation on the morning of Friday the 29th. We are trying to focus on healthier options as much as possible, but all donations are appreciated. The sale will take place after school. Thank you for your support!

Wed 4th Dec – Christmas Gift Shop
