

Reading Champions

Thank you to all those who came along to the training session. We now have over 15 people who have volunteered to hear children read on a regular basis. We will be in touch very soon to get you started!

Did you know...?

- The staff in our school speak French, Greek, German, Spanish, Italian, Russian, Polish and Afrikaans!
- We teach Spanish in Key Stage 2.
- Many of our children are bi-lingual, or are also learning another language outside school.
- We would love to celebrate all these different languages and will be shortly sending home a brief questionnaire to find out all the languages spoken by our children and families.

Recycle – Upcycle – Bicycle!

As part of our Eco Schools initiative, we will be running a recycling art project based on old bicycle wheels! If you have any old bike wheels, or any wool or fabric that you no longer need, please bring them into school. Watch this space...!

School Gateway for Payments

As the school is now cashless, all payments need to be paid on line via the School Gateway. The link is on the home page of the website as below. You can also download an app onto your phone or tablet to make payment even easier. We understand that paying small amounts on line can seem a hassle and time consuming but all of these small amounts are vital for the school to cover costs for events. Just over 50% of the cost of the Chinese Music Workshop was received.

Other Notices

Changes to Child Collection Arrangements

If at all possible, please could you let the office know earlier in the day if your child collection arrangements change.

Gate at the end of the drive

We have had some difficulties with the magnetic mechanism on the gate which has now been repaired. Please press the buzzer and wait for a member of staff to let you know it is open. Thank you

Lost Property

This is now being stored in a red drawer unit in the entrance lobby, with different items in labelled drawers. Named items are returned to the child.
