

Weekly Review – Rosewood Class

Friday 6th December 2019

Assessment Week

This week, the children have been completing assessments. The children have been trying really hard when completing these tests and trying to do the best that they can.

Art

This week, we have also done some great artwork, drawing a Christmas themed still life. We had to think really carefully about the perspective on what we were drawing. Everyone's drawings were different as everyone saw the still life from a different angle. Here are some of the drawings.

Messages

As you know, we took on Class Maple in a 'Battle of the Bands' and I am thrilled to say the Class Rosewood were the winners! The children's dedication and commitment to the battle was excellent with the children earning 31,436 points, which means that they answered 31,436 times tables questions correctly.

Next week we will be making crackers. Please could your children bring in as many tubes as possible to make these e.g. wrapping paper rolls etc.? Many thanks.

Homework

Reading- daily- this will be recorded on a chart

English – next week's homework will be based on Christmas poetry.

Spellings- from the spelling sheet

Maths – We are developing our knowledge of times tables in Rosewood Class at the moment. To raise the profile of this please ensure that your children are practicing Times Tables Rockstars. Practising a little bit daily will help the most.

The children's times tables tests will continue.

The order the times tables will be tested is 10x, 5x, 2x, 3x, 4x, 8x, 6x, 7x, 9x, 11x and 12x table. Thanks in advance for your support with this.
