

Weekly Review - Cherry Class

Friday 6th March 2020

English: Book Week!

We have really enjoyed our book week this week and have become very familiar with *Alice in Wonderland*, by Lewis Carroll. We spent a while learning about each of the main characters in the story, read and analysed chapter 1 in detail, created a story mountain to show how the storyline progressed (and were disappointed that it ended by Alice just waking up from a dream!) and made up our own verbs and nouns like Carroll did. The children looked great in their costumes for World Book Day yesterday; it was fun seeing the characters they've been learning about come to life.

Maths

We have been learning how to solve short division problems this week using the bus stop method and place value counters to help.

With Mrs Faulkner we have started to add and subtract fractions with the same denominator.
