Listen to some that interest you. You are going to be planning a persuasive letter as if you were also an element of nature, writing to the human race to persuade them to improve their treatment of you. You may need to do some extra research. Look here for some useful information: <a href="https://kids.britannica.com/students/article/environment/609446#:~:text=Human%20activities%20have%20caused%20serious,the%20abiotic%20and%20biotic%20environment.">https://kids.britannica.com/students/article/environment/609446#:~:text=Human%20activities%20have%20caused%20serious,the%20abiotic%20and%20biotic%20environment.</a> Planning template – see <b>Appendix</b></p>	<p>* Try some mindful colouring. Which activity increased your heart rate most?</p>	<p><b><u>Computing</u></b> L.P. To create a digital collage. Using the computer, create a digital collage from photos linked to flora and fauna from the rainforest. See <b>appendix</b> for digital collage links.</p>	<p><b><u>Music</u></b> Watch <a href="https://www.youtube.com/watch?v=6cnyrUHMDBs">https://www.youtube.com/watch?v=6cnyrUHMDBs</a> for 'Anthem for the Amazon'. What messages does the song contain? Do you think the video adds/detracts from the messages? Why/Why not? How does the song change? Can you rewrite the rap or create a new verse?</p>
