

Cedar Class Timetable
Week 7 Summer 2: Space

DAY/TIME	9:00 – 10:00	10:00 – 10:45	11:00 – 12:00	1:00 – 2:00	2:00 – 3:00	
Monday	<p>Maths- LP: To order mass.</p> <p>https://classroom.thenational.academy/lessons/ordering-mass</p> <p>Watch the video and complete the activities.</p> <p>Extension:</p>  <p>Three children are weighing potatoes and flour.</p> <p>Whitney: The potatoes weigh more because the arrow is further than the arrow on the flour scale.</p> <p>Amir: The flour weighs less because 2 is less than 700</p> <p>Alex: The flour weighs more because 2 kg is more than 700 g.</p> <p>Who do you agree with? Explain your answer.</p>	<p>English-LP: To revise word types.</p> <p>Hopefully, this will be a good revision lesson for the different word types noun, adjective, verb and adverb. Read the information, watch the videos and complete the tasks.</p> <p>https://www.bbc.co.uk/bitesize/articles/zvs2kty</p>	Break	<p>Please take part in any physical activity that you have access to. I have included some fun ideas below. Try to vary your activities.</p> <p>*Joe Wicks- Joe is still doing daily workouts at 9:00 which I know some of you are really enjoying.</p> <p>*Go Noodle- dance activities</p> <p>*Circuit training. If you are lucky enough to have a garden you could create your own circuit. How many interesting ideas can you come up with?</p> <p>*Running and Walking- obviously, these are great forms of exercise. Sometimes it helps to have a target. Could you walk 30 miles in June? Could you time a looped run and see if you can beat your time?</p> <p>*Obviously if you are lucky enough to have other equipment such as a bike, trampoline, tennis racquets, footballs etc. this is all great exercise.</p>	<p>Humanities</p> <p>See if you can name the eight planets in order. You can watch this song to help you. Remember that Pluto is considered a dwarf planet.</p> <p>https://safeYouTube.net/w/1dtN</p> <p>(Please don't look at way they have spelt favourite as it's the American way and favourite is one of our key spelling words!)</p> <p>Over the last few weeks, we have learnt about the geographical features of planet earth. Read about Mars in this article.</p> <p>https://www.natgeokids.com/uk/discover/science/space/facts-about-mars/</p> <p>What is the same about Mars and Earth and what is different? See if you can list some reasons. You could use pictures to help your explanations.</p>	
	Tuesday	<p>Maths- LP: To add and subtract mass.</p> <p>https://classroom.thenational.academy/lessons/add-and-subtract-mass</p>		<p>English- LP: To plan a story.</p> <p>Draw a map of your own made up galaxy in space. Think about different planets etc. where different things in your story are</p>		<p>Spanish</p> <p>Watch this video to learn the names of the planets in Spanish:</p>

Cedar Class Timetable
Week 7 Summer 2: Space

	<p>Watch the video and complete the activities.</p> <p>Extension:</p> <p>The green parcel weighs 5 kg. Can you work out what the blue and brown parcel weigh?</p>  <p>How much would the green and brown parcel weigh altogether?</p> <p><u>TASK TO BE SUBMITTED BY E-MAIL TODAY TO MISS NUTLAND</u> <u>snutland@bourn.cambs.sch.uk</u></p>	<p>going to happen. Label different parts of the map. You could invent some really cool names using alliteration. See my map in Appendix A</p> <p>Then complete the mini grid (Appendix A continued) to tell you what will happen in the story too. I'd just put a sentence in each box.</p>	<p>*Try Cosmic Kids Yoga</p> <p>Quiet Mindful Activities:</p> <p>*Mindful breathing- this is a great activity if you need something to keep you calm. https://safeYouTube.net/w/Ppel</p> <p>* This is a Soothe Stream from the Isabella Plantation in Richmond Park. It's less than 1 minute long and is extremely relaxing. https://safeYouTube.net/w/bZ7H</p> <p>* Try some mindful colouring. If you don't have anything to colour at home, these are some beautiful mandalas https://www.twinkl.co.uk/resource/t-t-23878-mandala-themed-mindfulness-colouring-sheets Any other type of craft or artwork can be relaxing too.</p> <p>*When you're on a walk, take time to spot nature. What types of trees do you see? Can you name any species of flowers? Is anything changing with</p>	<p>https://safeYouTube.net/w/CqsN</p> <p>Using the information in the video, complete the worksheet. See Appendix B</p>	<p>what God made on each of the days.</p> <p>https://safeYouTube.net/w/9qsN</p> <p>Make a list to show what he created on each of the days. You could draw illustrations to go with each day too.</p>
<p>Wednes ay</p>	<p><u>Maths-LP : To solve problems involving mass.</u></p> <p>https://classroom.thenationalacademy/lessons/solve-problems-involving-mass</p> <p>Watch the video and complete the activities.</p> <p>Extension:</p>	<p><u>English- TWO DAY WRITING TASK: LP: To write an adventure story.</u></p> <p>Complete the first paragraph/paragraphs of your story. (If you think you need a little less writing this week, you could write your story as a comic strip- Appendix C will show you the style you could use).</p> <p>See if you can pick one of the criteria from below to really focus on when completing your work.</p>		<p><u>Computing</u></p> <p>Learn about the Mars Rover by exploring this website to see how people are researching the planet Mars.</p> <p>There are 5 different sites which you can explore by clicking on the map. See in Appendix D</p> <p>You can learn about the Curiosity Rover by</p>	<p><u>Music</u></p> <p>Listen to the orchestral performance of Mars from The Planets Suite.</p> <p>https://www.bbc.co.uk/teach/ten-pieces/KS2-gustav-holst-mars-from-the-planets/zf6hsrd</p> <p>See if you can identify the instruments which are playing.</p>

Cedar Class Timetable
Week 7 Summer 2: Space

	<p>The chocolate bar weighs 100 g. How much does one muffin weigh?</p>  <p>How much does each side weigh?</p>	<p>Think really carefully about which nouns, adjectives, verbs and adverbs you are using and see if you can make really interesting word choices.</p>	<p>the environment around you?</p> <p>General Wellbeing</p> <p>*You could also phone a friend. Keeping in contact with your friends is really important at the moment. If you're not keen on phoning, maybe make a card or write a letter to deliver.</p> <p>*You could listen to one of these podcasts about remaining resilient and believing in yourself https://podcasts.apple.com/us/podcast/big-life-kids-podcast/id1461857952</p>	<p>clicking on parts of the machine too.</p> <p>https://accessmars.withgoogle.com/</p>	<p>See if you notice the changes in dynamics used too. Here is some more information about dynamics.</p> <p>https://www.bbc.co.uk/bitesize/guides/zq6nrwx/revision/3</p>
<p>Thursday</p>	<p><u>Maths- LP: To read a scale.</u></p> <p>https://classroom.thenational.academy/lessons/read-a-scale</p> <p>Watch the video and complete the activities.</p> <p>Extension: Have a practise reading scales in your house or use this maths game to practise reading the scales. You can change the interval on this scale so you can read it in 1s, 2s, 5s and 10s.</p> <p>https://mathsframe.co.uk/en/resources/resource/87/itp-measuring-scales</p>	<p><u>English- English- TWO DAY WRITING TASK: LP: To write an adventure story.</u></p> <p>Complete the work from the previous day. Using the editing techniques you learnt from last week, see if you can edit your spelling, punctuation and upscale your vocabulary choices.</p> <p><u>TASK TO BE SUBMITTED BY E-MAIL TODAY TO MISS IVORY</u> <u>hivory@bourn.cambs.sch.uk</u></p>		<p>Science</p> <p>Astronomy will be one of our Science topics next year so it's great that we have an opportunity to start learning about this.</p> <p>Watch this mini video to learn a little bit about what constellations are:</p> <p>https://www.bbc.co.uk/bitesize/clips/zdspyrd</p> <p>(This website has more details as well if you want to learn further about the constellations https://www.ducksters.com/science/physics/constellations.php)</p> <p>Extension: If you have spaghetti and marshmallows at home, you could create these constellations or you could be inventive and create your own constellations from something that you find around the house.</p>

Week 7 Summer 2: Space

				
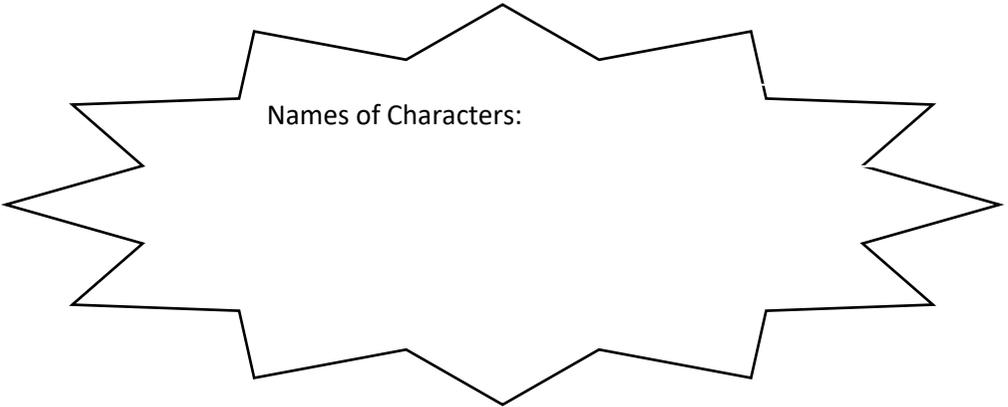

<p style="text-align: center;">Friday</p>	<p>Maths- LP: To read capacity and volume.</p> <p>https://classroom.thenationalacademy/lessons/read-capacity-and-volume</p> <p>Watch the video and complete the activities.</p> <p>Extension:</p> <p>Click onto this challenge from nrich and see if you can put the names back on the measuring cylinders.</p> <p>https://nrich.maths.org/5979?utm_source=primary-map</p>	<p>English- READING</p> <p>https://www.lovereadng4kids.co.uk/extract/17032/Survival-in-Space-The-Apollo-13-Mission-by-David-Long.html</p> <p>Read this chapter and see if you can answer these questions.</p> <ol style="list-style-type: none">1) How long did the Orville and Wilbur's aeroplane fly for and how many metres did it travel?2) What was English pilot Peter Twiss famous for?3) What was the name of the first animal to orbit the earth and what nationality was it?4) Did the Russians or Americans launch their satellite first? What were both satellites called?5) What were the names of the first man and the first women to travel in space? <p>See if you can write your own questions about significant pieces of information included in this chapter.</p>		<p>Art and D.I.</p> <p>Think about designing a spacesuit for an astronaut. Draw out your design and label the materials you think would be good to use. You could make a mini version if you have any materials to use around the house. Makes sure that you add a logo to your design. This is the NASA logo.</p> 

Cedar Class Timetable
Week 7 Summer 2: Space

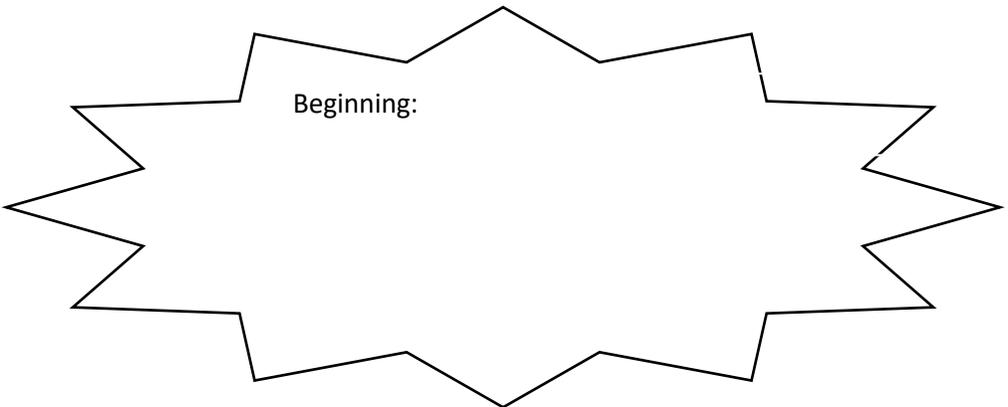

Appendix A Tuesday- English

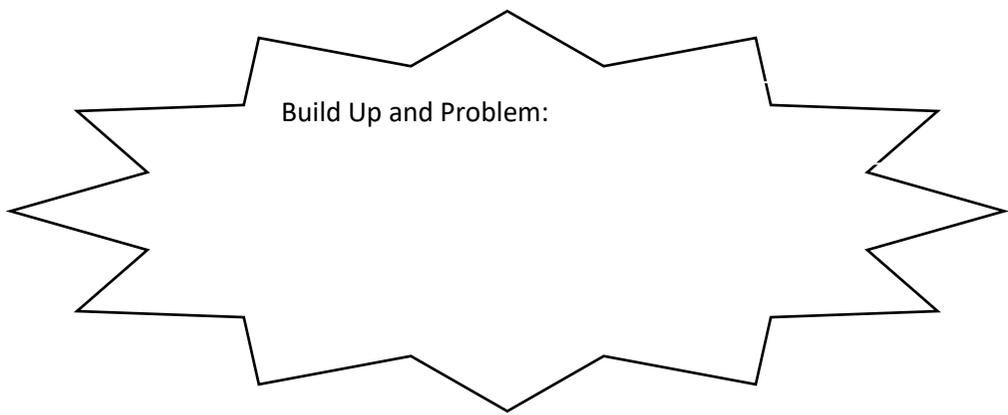

Appendix A continued- Tuesday- English

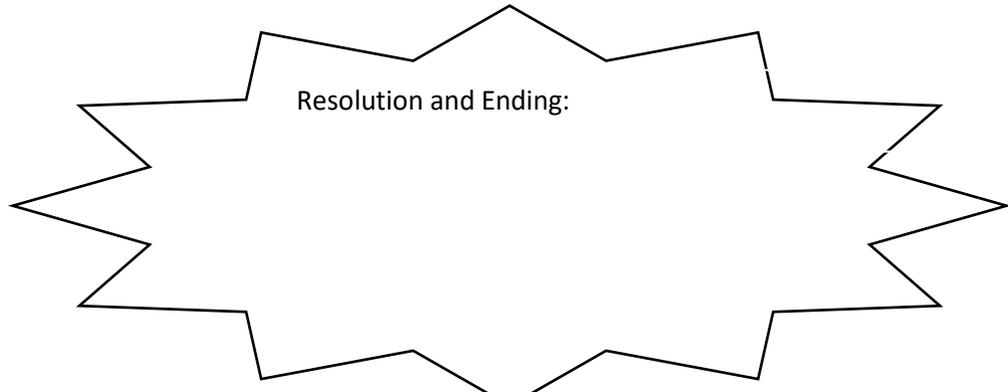

Names of Characters:

A large, hand-drawn starburst shape with multiple points, used as a template for writing character names.

Beginning:

A large, hand-drawn starburst shape with multiple points, used as a template for writing the beginning of a story.

Build Up and Problem:

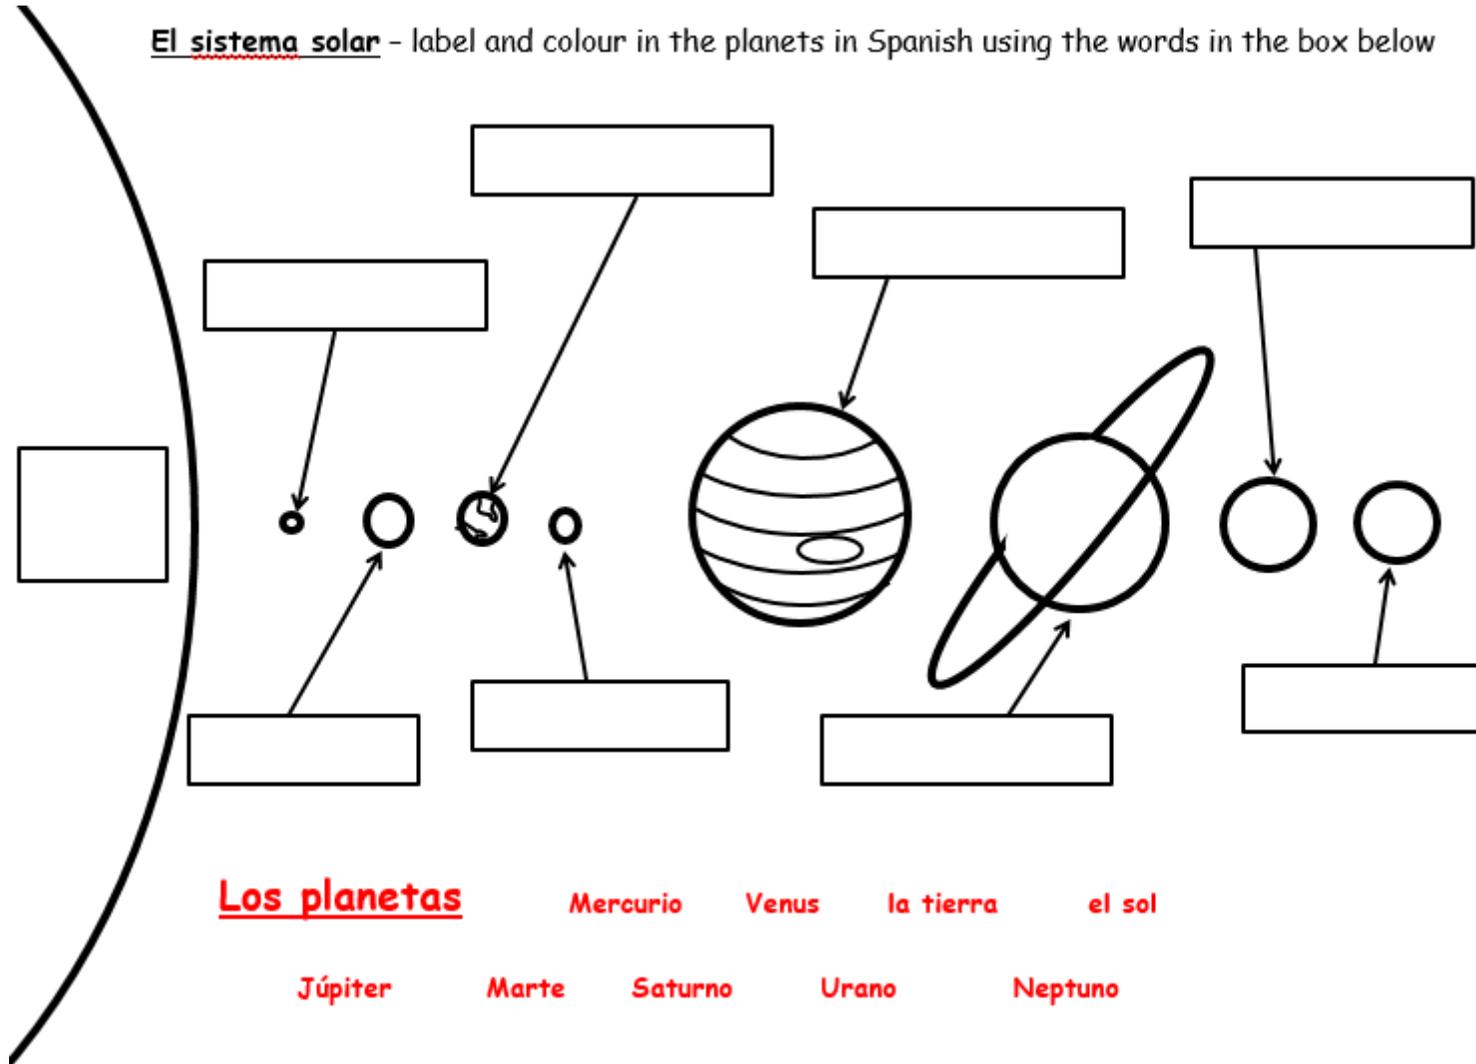

A large, hand-drawn starburst shape with multiple points, used as a template for writing the build up and problem of a story.

Resolution and Ending:

A large, hand-drawn starburst shape with multiple points, used as a template for writing the resolution and ending of a story.

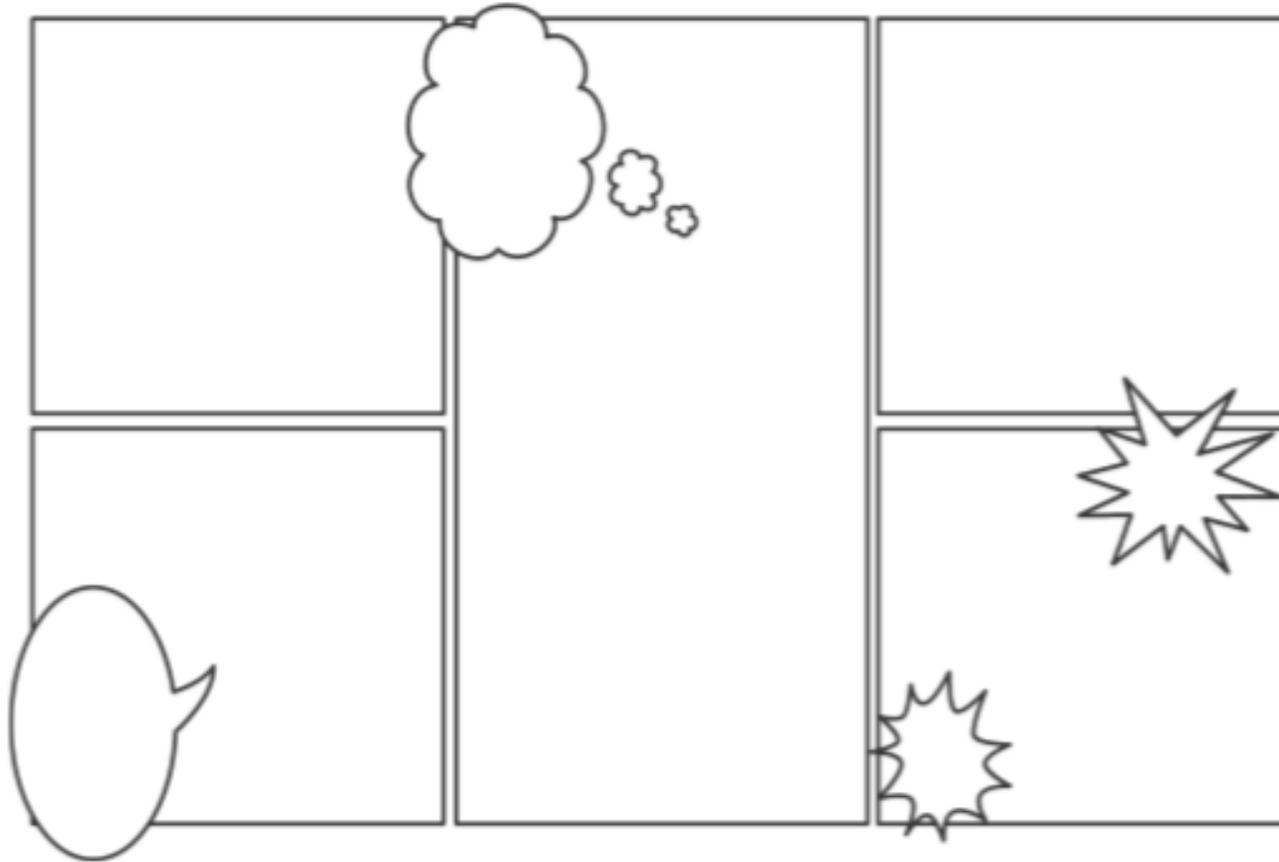

Appendix B- Tuesday- Spanish

El sistema solar - label and colour in the planets in Spanish using the words in the box below
