

Weekly Review – Cedar Class

Friday 25th September

THIS WEEK

The children have been writing their version of the Mrs Cole story as a comic strip this week and treating me to their fantastic artistic drawings! We have been solving 3-digit number riddles and Place Value word problems in Maths and learning about rock formation in Science. The children have enjoyed using real tools to make their own Stone Age tools in History.

NEXT WEEK

In English, we will be doing some dictation and looking at our spelling. We will be exploring nouns and adjectives and writing some of our own descriptive sentences. In Maths, we will be comparing and ordering numbers and we will learn how to group rocks according to their properties in Science.

NOTICES & REMINDERS

Please make sure the children have a coat for outdoor play now the weather is turning colder.

HOW YOU CAN HELP:

Please encourage daily reading and listen to your children read as often as you can.

HOME LEARNING (due Thursday):

Maths: Convert from expanded form- up to hundreds

(<https://uk.ixl.com/math/year-3/convert-from-expanded-form-up-to-hundreds>)
