

# Weekly Review – Cherry Class

Friday 11<sup>th</sup> September 2020

## **THIS WEEK**

It has been wonderful welcoming everyone back to school this week, and meeting our new class. We have been so impressed by how positive they have been, and have really enjoyed getting to know them. We have completed lots of growth mindset activities and learnt about the power of yet! Ask your children what this means.....

## **NEXT WEEK**

Next week we will be building the curriculum up as the week goes and the children are ready. Running alongside the curriculum, will be lots of PSHE activities about beginning and belonging as well as growth mindset. In English, we will read biographies and looking closely at the features of them. In Maths, we will be consolidating and extending our knowledge of place value. In Science we will be looking at Habitats.

## **NOTICES & REMINDERS**

- Cherry class should come into school wearing their PE kits on Tuesdays and Fridays.
- We will be going into the Nature Reserve most Tuesdays & Fridays, come rain or shine, so please make sure your child/ren has appropriate clothing (i.e. coats and wellies). Some areas are getting a bit overgrown so long trousers would be ideal.

## **HOW YOU CAN HELP:**

Talk to your child/ren regularly about how they are feeling and any anxieties they may have. If there is anything we can to help, please email us. We may not have all the answers but we are here to help and reassure however we can! Please email us both: [cgawthrope@bourn.cambs.sch.uk](mailto:cgawthrope@bourn.cambs.sch.uk) and [kfaulker@bourn.cambs.sch.uk](mailto:kfaulker@bourn.cambs.sch.uk) and one of us will reply by the end of the next working day.

## **HOMEWORK**

We will be setting the first online homework tasks next week. Please continue to read with your child every night to help them develop their fluency, confidence and comprehension.
