

Weekly Review – Cherry Class

Friday 25th September 2020

THIS WEEK

In English this week we have been looking at simple and compound sentences, and how to use coordinating conjunctions to connect 2 sentences together (using FANBOYS to help us remember them). We have also been researching facts about a celebrity and planning a biography about them.

In Maths we have been comparing, ordering and rounding numbers to 100,000, as well as counting in powers of 10 to 100,000.

NEXT WEEK

Next week we will be focusing on assessing what the children can remember and have learnt so far in Maths and reading comprehension, to help us ascertain their current knowledge and help them move forward.

We will also be writing our biographies about our chosen celebrities. Mrs Gawthrope and Mrs Faulkner are particularly excited to see what the children can do – we look forward to being impressed!

NOTICES & REMINDERS

The weather forecast next week (at the time of writing) isn't looking as pleasant. Please remember that we will still be going outside for breaktime, in the nature reserve, and out for our daily mile regardless, so make sure your child is suitably dressed.

HOW YOU CAN HELP:

Talk to your child regularly about how they are feeling and any anxieties they may have. If there is anything we can to help, do feel free to email us. Please email us both and one of us will be in touch by the end of the next working day:

cgawthrope@bourn.cambs.sch.uk

kfaulkner@bourn.cambs.sch.uk

.HOMEWORK

We are looking into how we can do homework better.

English: Please practise spelling for our house spelling challenge on Friday. Words ending in tious. Please read 3 x week.

Maths: 2do's have been set on Purple Mash.
Science: 2do has been set on vertebrates and invertebrates.
