

Return to School

It has been an absolute delight to have all the children back again this week. The staff have been very impressed with their new classes and the children have settled in to the new routines very well. They understand the reason for the new rules and are following them well. The children are loving their time outdoors and are getting lots of exercise with their PE lessons and their Daily Mile. We have noticed that many children are a bit out of practice with their writing so we are doing lots of short writing activities to build up their stamina again! The children have been so happy to be back at school and with their friends and watching them interact with each other has been a joy.

Welcome to the Year Ahead Virtual Meetings 16 September

At this time of year, we would normally hold our Welcome to the Year Ahead meetings, where you can meet the class teacher and find out about the routines of the class. Of course, this is not possible in its normal format, so we will be holding virtual meetings via Teams Live Events. The first one will be a presentation at 6pm by Laura Latham, Headteacher, and there will be two class sessions, at 6.30 – 7pm and 7.15 to 7.45 pm. You will receive an email with the link to the different meetings, as well as instructions as to how to join.

Drop off and Pick Up

Thank you for following the drop off and pick up arrangements and this has worked well. In the mornings, if your child walks from the gate, they are able to come in earlier than their class drop off time. If adults are accompanying children, please could you drop off and leave as soon as possible. At pick up time, when you are waiting for classes, please ensure you keep your children with you. Please could parents also remember to stay 2 metres apart from each other when they are on the school site. Thank you for your help.

Weekly Celebrations

Values certificates

Each week, we award certificates to children who have displayed the school's values of hope, friendship, courage, justice and forgiveness. This week, our certificates were awarded to the following children:

Willow: Cameron and Sophie

Hazel: Albert and Iris

Cedar: Freddie and Yuyan

Rosewood: Alfie and Flora

Cherry: Katie and Ronnie

Maple: Molly and Mandi

Other Notices

Class Newsletters Each Friday, teachers will send a weekly newsletter. This will contain many more photographs than previously, so you can see what they have been up to. It will include information of what the class have been learning and outline what they will learn the following week.

Homework The class newsletters will also give details of the online homework which will be set each week. Homework will start from next Friday - 18 September.

Birthday Sweets If you would like your child to bring in sweets for their birthday, they should be sweets that are individually wrapped and come in a larger sealed bag eg party packs

Parking & Driving Near School

Please could parents avoid parking in the bus bay as our taxis stop here too. Please drive slowly near school and follow the unofficial one way system.
