

Weekly Review – Rosewood Class

Friday 11th September 2020

THIS WEEK

Rosewood Class have started the year with a really positive attitude towards their learning. We have been completing a 'Week of inspirational Maths' where the children watch videos each day to support Growth Mindset concepts such as understanding that everyone can be good at Maths and that making mistakes is an important part of learning as this is what makes our brains grow. We have also started our history work on the Stone Age with a bang by creating cave paintings. We sat under our tables, used a stick to create these paintings. We're going to add hand stencils too!

COMING UP NEXT WEEK

Some of the exciting things we will be starting next week include:

***P4C**- Philosophy for Children- This is a new school initiative which will support the children in developing deep thinking skills

***The Nature Reserve**- We will be spending time in the nature reserve next Thursday (weather permitting). We will be working on developing our team work and communication skills whilst there.

NOTICES & REMINDERS

*Thank you for such a wonderful start to the new school year. The children have come in really keen to embrace new experiences and try their best.

* Please make sure that your child brings a water bottle into school every day.

*The children also have lunch quite a lot later than they might be used to having lunch so please ensure that they have a snack with them for morning playtime. Several of the children have mentioned that they are getting hungry.

*We will be making a display of the children reading in our classroom. Please e-mail a picture of them reading to hivory@bourn.cambs.sch.uk. The more interesting the picture, the better. It could be in an unusual place or whilst doing a sport like gymnastics or climbing a tree. I can't wait to see the pictures!

HOMEWORK

There is no homework this week but please read with your child daily.
