

Weekly Review – Rosewood Class

Friday 25th September

THIS WEEK

This week we have continued developing our knowledge of place value along with rounding to the nearest 10 and 100.

In English, we have continued reading our class text Cloud Busting and are developing our inference skills around different emotions and feelings. We have also started writing limericks. We enjoyed finishing our self-portraits which will go on display with others in the school. In Science, we have developed our knowledge of electricity and made a range of circuits using different component parts. We really enjoyed creating these.

COMING UP NEXT WEEK

Some of the exciting things we will be working on next week include:

***English-** We will be developing our knowledge of poetry further by creating our own blank verse poems.

***RE-** We will continue developing our knowledge of Judaism by learning about the synagogue and special objects found there.

NOTICES & REMINDERS

Thanks for all of the parents who attended the Zoom meeting this week. It was lovely to see you all.

If you have a photograph of your child reading in an unusual place or way then please e-mail it to me

hivory@bourn.cambs.sch.uk

We have started making a good display with the pictures received so far. Thanks so much for sending them in.

HOMEWORK

Maths Homework- rounding to the nearest hundred-set as a 2do on Purple Mash.

English Homework – see if you can find a limerick online. Learn the limerick to perform in class for National Poetry Day on Thursday.

Daily Reading

Spelling- see the sheet sent home from school today with the patterns for this half term. Tests will be on Fridays
