

Weekly Review – Maple Class

15.10.20

THIS WEEK

The children have been learning about negative numbers and revisiting number terminology this week, including factors, products and multiples in Maths. In English, we have been practising and developing the use of different sentences openers including the use of nouns, adjectives, conjunctions, adverbs and emotions. In Art, we have continued to work on our portraits and the results are impressive!

NEXT WEEK

We will continue to look at negative numbers in different contexts in our Maths lessons and apply this to some reasoning and problem solving. In RE we will be learning about the Qu'ran in a little more depth. In English, we will be writing our own dual narrative texts, thinking carefully about the characters. In Art, we will be looking at how to represent different textures.

NOTICES & REMINDERS

PE clothes to be worn to school on Mondays and Tuesdays.

Please ensure a water bottle is brought in, as well as a water-proof for wet playtimes.

HOW YOU CAN HELP:

Encourage your child to read every day with you or to a sibling.

Have a conversation about what they are learning.

Encourage your child to read around topics they are learning at school.

HOMEWORK

Please read daily.

Times Table Rock Stars

Spelling Practice

Optional Homework Menu
