

## Anti Bullying Week

We have focused this week on the following words from 'The Proudest Blue', by Ibtihaj Muhammad, a book kindly donated to the school by one of our families.

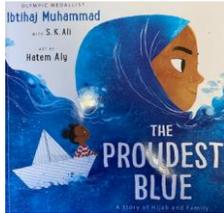

**"Don't carry around the hurtful words that others say.**

**Drop them. They are not yours to keep.**

**They belong only to those who said them."**

Words have incredible power to heal or harm. We teach children how to protect themselves from harmful words, and to act with kindness towards others, so that their words only help and support.

This is so important in a world where adults, even those in important roles, don't always choose their words with care and don't think of the harm they can cause.

## Birthday Celebrations

So many of our children have had birthdays during times when Covid/lockdown restrictions have been in place. We know that they have missed out on parties and celebrating their birthdays with extended families. School is the one place where they can still be with all their friends so we have decided to give children a little birthday party in school! During the afternoon of the last Friday of each month, each class will have a party to celebrate those who have their birthday in that month. There will be traditional party games, and a little cake with candle for the birthday children. The first party will be held at the end of November for all those children with a birthday in September, October, November and December.

**Flu Vaccinations** The children had their vaccinations this week and the nurses said, 'your children were all so well behaved – I don't think we have ever got through them so quick' Nice feedback to get 😊. You can still get the vaccination by going to a community clinic – click the link [here](#) to book.

**Worms** There have been a couple of cases. Please check and treat your children if needed.
