

Weekly Review – Cedar Class

Friday 20th November

THIS WEEK

In English, the children have been using first person, past tense and sequential order words to draft their animal dairies. In maths, they have been using their knowledge of addition and subtraction to find patterns and solve mathematical problems-I was so impressed with some of them as they worked hard to persuade me and correctly disprove one of the published answers on the NRich website-Amazing! In Art, they have been developing their landscape pictures by adding further details and colour and they enjoyed much excitement in History as they revealed their Bronze Age tools from out of their molds.

NEXT WEEK

Next week is our D/T week and we will be making bread!

The children will find out about the history behind Warburtons, they will evaluate existing bread products, practice shaping bread using salt dough, design their own loaf of bread and then enjoy tasting and evaluating it!

NOTICES & REMINDERS

The school carpets are getting very muddy so please can we remind you that all children must have a pair of indoor and outdoor shoes in school please. Outdoor shoes can be wellies or a second pair of trainers.

HOME LEARNING:

Maths:

Keep working through your mental maths booklets please. Remember 1:1 testing every Wednesday!

Times table Rockstarz

English: Daily Reading and Spelling practise: creating adverbs using the suffix-ly (root word ends in y with more than one syllable).

Please help your child to learn their lines for our Christmas performance.

We took our Bronze Age axe and spear heads out of their molds. Next step is to sharpen and paint them in bronze.
