

Reading books for KS1 and KS2

The school now has more reading books, thanks to a kind donation of money for books. Key Stage 1 children are now able to bring reading books home and return them **only** on a Monday and Thursday. Please do not return them on any other day because we have to quarantine them. All children are still able to access the Rising Stars books online. The teachers in KS2 have also now been able to purchase more books for their classroom for children to borrow.

Whole School Self Portrait Display

Every child in the school has painted their own self portrait for a large display. We wanted to show that although we are all in separate bubbles, we are all part of the same school. The display was put up in the hall yesterday, and the children have all spent time at lunch spotting themselves and their siblings and friends!

Weekly Celebrations

Values certificates

Each week, we award certificates to children who have displayed the school's values of hope, friendship, courage, justice and forgiveness.

This week, our certificates were awarded to:

Acorn: Enid and Imogen C

Willow: Lauren and Qianyue

Hazel: Olivia and Lucas

Cedar: Ben and Jack

Rosewood: Caitlyn S and Kieran

Cherry: Emily C and Theo

Maple: Tom and Martha

Other Notices

Absence reporting If your child is ill for any reason, or you need to notify us of self isolation, or a test result, please use the new email address, which can be monitored out of hours.

New Covid Rules from 5 November. Whilst children are still in school, the new guidelines state that they cannot be together outside school in the same way. This is often confusing so the guidance is [here](#) in order that you can check what is and isn't allowed.

Anti Bullying Week

Monday 16 November marks the start of [Anti Bullying Week](#). Children and staff are asked to wear odd socks or bright tights to school to highlight that we are all unique and different. No money is needed for this!

Children in Need

[Children in Need](#) Day is Friday 13 November. We would like to raise money to donate to this good cause by asking children to wear non uniform, with spots if possible and bring in £1.00 donation.

Gratitude

Studies show that showing gratitude is important for our well-being, and this is all the more important as we start another lockdown. We have been encouraging the children to end their day thinking of '3 Good Things' – these can be big or small! Examples from Year 6 today have been, 'meeting a new teacher', 'my favourite flavour of crisps in my lunch' and 'I did my favourite topic in maths'. What are your 3 Good Things?
