Phone: 07593 396855

Dear friends,

We are writing to introduce the **Cambourne Volunteers Task Force (CVTF)**, which was developed in response to the pressure that COVID-19 put on our community in Cambourne and its surrounding areas. Our volunteers come from [Cambourne Crescent](#), [Cambourne Church](#), the [Town Councillors](#), community groups, local supermarkets and residents.

If you are self-isolating or shielding, we can deliver groceries and prescriptions to your home, or we can call you just for a chat. Our volunteers can drop parcels off outside your door, maintaining a safe distance.

We offer **free food parcels**. If you are struggling to afford (enough) food now, these are available for collection from the Blue School on Saturday mornings.

Opening times for Food Parcels (free) are Saturdays 10:00-11:00am.

Blue School, Eastgate, CB23 6DZ

We also **deliver groceries**. If you are self-isolating or shielding and able to pay for your shopping, you can request help with delivery. You will be able to choose from a simplified list of essential items. We will collect all requests and seek advance payment (currently donation to [CVTF Just Giving](#)) by Thursday night for delivery on Saturday.

We **collect** and **deliver prescriptions**. Again, for those who are self-isolating or shielding, prescription requests from Lloyds pharmacy can be collected and delivered to your home.

We have trustworthy volunteers who are happy to talk, via **phone calls**, to those who are in self-isolation or shielding, to offer some all-important human contact with the outside world in this difficult time. Do not hesitate to email or call us if you think you would benefit from this.

All our volunteers are registered and insured by Cambourne Town Council and carry an ID badge. They follow government guidelines on social distancing at all times, keeping themselves and you safe.

Whatever your needs are, contact us and we will try to help you or point you in the right direction.

If you need HELP, please contact us by either of the methods:

- cambournecrescent.org/VTF
- e-mail: info@CambourneCrescent.org
- WhatsApp/SMS 07593 396855

Kind regards,

Cambourne's Volunteer Task Force
