

Weekly Review – Hazel Class

THIS WEEK

This week in Maths we have been comparing different amounts of money. In English we have been writing a character description about a character that we will include in our own stories. We have also started to plan our own stories ready to begin writing.

This week in Geography we created our own fact-files about an animal that lives in a woodland habitat. In science we learnt about the key components of an electrical circuit.

In PSHE we talked about what jobs everyone would like to do when they are older and how we have to challenge ourselves and work hard to get there. As part of Anti-Bullying week, we also had a lesson on how we can unite together to prevent bullying and created our own jigsaw pieces with pictures and information about the different ways that we can be kind to each other.

NEXT WEEK

Next week it is DT week and our theme is wheels and axles. We will be focusing most of our learning around our DT theme. In Geography we will be looking at wheels around the world and in Maths, we will be giving our finished products some prices and will practise buying them using some pretend money.

I look forward to sharing the photos of our final products with you, on the weekly review, next week!

NOTICES & REMINDERS

Reading books can be returned to school on either a Monday or a Thursday. White Reading Records can now be brought in with the books too.

HOW YOU CAN HELP:

Continue to read with your child and ask questions about the story/book that they are reading. Also, ensure that your child is practicing their phonics sounds.

Homework

This week's spelling homework is to come up with a list of words that have the sound /l/ spelt with '-il' and '-al' at the end. As a super challenge your child could write a sentence that includes each of the words. They can also practice these words that follow this spelling pattern:

Pencil, fossil, metal and pedal.

This week times tables homework is to practise the 10 and 2 times tables.

And don't forget to keep reading!

Some of our Anti-Bullying jigsaw pieces.

Some of the work that we have been doing with money
