

Weekly Review – Rosewood Class

Friday 20th November

THIS WEEK

In Maths, we have been developing our knowledge of column subtraction both exchanging and not exchanging and we will continue to develop this next week too. In English, we have been reading some more of our class novel *How to Train your Dragon*. We have been looking for synonyms for the words 'said' and talked about the word synonym. It would be great if you could reinforce the word synonym and home and pick up synonyms for said when reading. As you know, we have also been rehearsing for our 12 days of Christmas video and the children are very excited. Thanks for your support with this. In PSHE, we have been developing our knowledge of 'growth mindset' and 'fixed mindset' and how to ensure that we are developing our growth mindset

NOTICES & REMINDERS

We have had another lovely week and have been thinking really carefully about being kind to each other. We have also been thinking about respecting our classroom property and looking after our surroundings.

As the weather continues to be cold and wet, it is imperative that your children have coats (preferably with hoods) and also wellies in school. We will, where possible, go out for the daily mile each day and the nature reserve on a Thursday. The children will also be outside every playtime and lunchtime.

Please can you also ensure that they have a water bottle in school each day. Thanks

COMING UP NEXT WEEK

Some of the exciting things we will be working on next week include:

***More practicing for our Christmas film**

***English/History-** Writing about different types of houses from different periods of the Stone Age.

HOMEWORK

Daily Reading

1000 points on TT Rocks a week

Weekly spellings

Optional project homework about the Bronze Age and Iron Age.

Ask your children to tell you about this heart and what it means.

hope courage justice forgiveness friendship
