

Weekly Review – Rosewood Class

Friday 27th November

THIS WEEK

We have had assessment week this week to see how well the children are doing with maths, reading and writing in Year 4. The children have worked really hard to complete their tests with a really positive attitude about what they can achieve if they put their mind to it. This week we have also been comparing the similarities and differences between Stone Age house. We have also really enjoyed practicing and recording our video of the twelve days of Christmas. Look out for this over the coming weeks! The children have been really enthusiastic about this and hopefully have been showing you all of the different signs for the different days at home.

NOTICES & REMINDERS

As the weather grows colder, we will be still spending time outside if the days are fine so please ensure that your child has appropriate clothing in school so that they are not cold in the fun activities that we are doing.

Please also be aware that we are allowed to send Christmas cards within our bubble. However like the reading books, we will be quarantining them so please ensure that they are in school in good time if your child would like to send them, although obviously there is absolutely no obligation.

Thanks for all of your continued support with everything that we are doing in school. The children are all really happy and we all love being part of Team Rosewood! Have a wonderful weekend.

COMING UP NEXT WEEK

Some of the exciting things we will be working on next week include:

- * Continuing with our athletics skills in PE.
- * We will be developing our knowledge of the human body in Science.

HOMEWORK

Daily Reading

1000 points on TT Rocks a week

Weekly spellings

Optional project homework about the Bronze Age and Iron Age.
