

Wonderful Wellies!

Thank you for ensuring that your children have wellies in school for them to change in to for playtimes. Storage of these has been a constant problem – until now! Look at these wonderful wellie racks that have been made for us by Robert Hyde, one of our parents. Thank you so much!

Cards for Care Homes

This week all the children have been writing Christmas postcards to residents of local care homes. I am sure these will bring smiles of joy to the recipients!

Manor Farm Christmas Trees

If you are getting your tree this weekend – please pop down to Manor Farm to buy a good quality tree, locally grown and 10% of the sales go to the school! I have mine and it is lovely!

'Cosy Day'

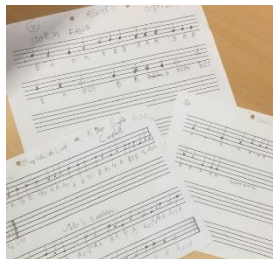

Next Friday, the last Friday of term, ☺ all children and staff are welcome to come dressed in their cosiest clothes. It's cold, dark and miserable outside and being cosy makes us feel better! Children are welcome to bring slippers to wear indoors, but please make sure they are not the enormous ones that they or others might trip over!

Young Composers!

Year 2 have been writing their own music scores for the recorder. They have learned how to write different notes on the staves. Well done year 2.

Remember, Remember!

Please can you ensure that your child has everything they need before you drop them off, so we can reduce the number of parents needing to come onto school site to drop things off during the day. Thank you!

Other Notices

Absence reporting If your child is ill for any reason, or you need to notify us of self isolation, or a test result, please use the new email address, which can be monitored out of hours.

Parking Across Neighbour's Driveways I have been contacted again by the school's neighbours asking parents not to park in front of their drives. I am sure everyone would find this annoying, so please think twice about where you park your car – even if it is for a short time. The local PCSO will be visiting too.
