

# Weekly Review – Maple Class

11.12.20

## THIS WEEK

The children have worked really hard on their DT projects. They have been tasked with creating a miniature playground with working parts. So far, they have researched and planned their playgrounds; drawn and labelled perspective designs; created paper structures to practice joins, measuring and accurate cutting techniques. The children have also continued working on their non-fiction reports in English and microbes in Science.

## NEXT WEEK

The children will create and complete their miniature playgrounds using a range of craft materials such as lolly sticks, matchsticks, foam, thread and pipe cleaners. We will also be completing and publishing our non-chronological reports – these are looking really good and children are making great progress with their writing and editing skills. Next week, we will be enjoying an online pantomime on Wednesday and completing a 2021 calendar for, hopefully, a smoother year ahead!

## NOTICES & REMINDERS

It was lovely to see everyone in their cosy clothes today! It felt like a real treat as the weather has been so chilly of late!

We will be having Christmas lunch next Tuesday. Children are invited to wear festive party clothes!

PE clothes to be worn to school on Mondays and Tuesdays. Remember that Maple class starts at 8.30 am and finishes at 2.50 pm.

## HOW YOU CAN HELP:

Encourage your child to read every day with you or to a sibling.

Have a conversation about what they are learning.

Encourage your child to read around topics they are learning at school.

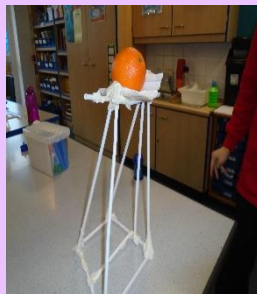

## HOMEWORK

Please encourage your child to use Timetable Rockstars to practise their times tables.

Regular reading of their home reading book, and daily practice of spellings.

Optional project homework web (in homework book) – choose an item from each subject area each week.

Please bring homework books in and any completed practical projects by the end of term please!

Making frame structures and testing their effectiveness for DT!
