

# Weekly Review – Rosewood Class

Friday 11<sup>th</sup> December

## THIS WEEK

In Maths, we have moved on to learning about perimeter. We have found the perimeter of both rectangles and rectilinear shapes and have been problem solving when we don't know the length of all of the sides. The children took out a trundle wheel to measure the perimeter of the school too. In English, we have been newspaper reporters. We learnt that a dragon came to the school and we have been writing newspaper articles about the dragon.

## NOTICES & REMINDERS

As this is the last weekly newsletter of the term, may I take this opportunity to say thank you for your continued support throughout this term. The children have done extremely well and it has been great to see their smiling faces enjoying learning in school.

I hope that you all have a safe and Merry Christmas and I am looking forward to seeing you all in the New Year. Please keep reading with your child over the Christmas period as reading makes the biggest difference to all subjects. I am going to be reading this book. I haven't read it yet but I have heard that it's great! It's by the author of The Truth Pixie, Matt Haig.

## COMING UP NEXT WEEK

Some of the exciting things we will be working on next week include:

- \* School Christmas dinner!
- \* The Christmas pantomime!

## HOMEWORK

Daily Reading

1000 points on TT Rocks a week

Weekly spellings

Optional project homework about the Bronze Age and Iron Age.

This week we have been learning about our amazing brains. We have made brain hats showing the different parts. Here are a few.

hope courage justice forgiveness friendship
