

# Weekly Review – Rosewood Class

Friday 4<sup>th</sup> December

## THIS WEEK

In Maths, we have been solving addition and subtraction word problems using a RUCSAC approach. This stands for **R**ead, **U**nderstand and **U**nderline, **C**hoose the operation, **S**olve the problem, **A**nswer the question, **C**heck your answer. In English, we have started work on newspaper reports and have identified common features. If you have any child friendly newspaper articles at home, this is a great idea for reading this week as it will support our learning in class. We have also welcomed Ezra (which means helper) and Estella (which means star) to our class this week. They are our kindness elves and spot children who are being kind and give them little kindness notes.

## NOTICES & REMINDERS

I hope that you are enjoying the run up to Christmas.

Please can I remind you all to continue reading with your children at home. Reading is the most important thing that you can do to support your child's learning at home. If you have any questions about reading, please do not hesitate to contact me and I will support you with this. It's also extremely beneficial to read to your child as they can develop their vocabulary and develop their comprehension and understanding. One of my favourite books to read at this time of year is The Christmasaurus so that's one I'd recommend if you're looking for ideas.

## COMING UP NEXT WEEK

Some of the exciting things we will be working on next week include:

- \* Starting our Christmas crafts
- \* Finding out what happens to Toothless and Hiccup as our How to Train your Dragon adventure continues.

## HOMEWORK

Daily Reading

1000 points on TT Rocks a week

Weekly spellings

Optional project homework about the Bronze Age and Iron Age.

This week we have been designing postcards to go to a local care home. Here are some examples. The children worked really hard on these and are very proud of them.
