Phonics	Join Mrs Tagger to learn our new long oo sound in today's zoom call at 1.30pm Practise saying and writing the long oo sound by itself and in words. Follow on activity: complete some of your oo workbook (email attachment)	Watch Geraldine Giraffe video to recap long oo sound: Adults: please write the following words in lower case letters on A5 (or smaller) pieces of paper and hide around the room: moon, soon, zoo,	Click on the link to play a long oo game: https://www.kizphonics.com/phonics/oo-long-vowel-digraph-phonics-game/ Follow on activity: Roll and read long oo (see email attachment). Play this game	Watch alphablocks long oo sound: Alphablocks : Moon - Series 1 Follow on activity: Complete the sentences using the oo words. (email attachment) Pretend you are going to zoom to the moon to find	Go on a oo sound hunt around the house. Can you find a spoon? Find or draw a picture of the moon, can you find or draw an animal that lives at the zoo? Can you find a boot? A toothbrush, your favourite food, a

		<p>zoom, cool, loom, boot, pool, tool, root.</p>	<p>with one or more people. Take turns to roll the dice and count the dots. Find the word to match the number on the dice. Cross the words when you've read them</p>	<p>the words. You will need a bag to collect the words. Adults: Please hide the following words (see attachment) and pictures around a room of your choice/outside. If you feel jazzy, you could make a space themed area to hide the words! boot,spoon, stool, moo,igloo.</p> <p>Read the sentences with your grown up and look for the word that fits the gap. Can you write the word to complete the sentence? Remember, oo is a digraph sound. Two letters make one sound.</p>	<p>tool, can you look cool? Go to your favourite room, zoom around the garden. Can you think of any other long oo words? Write down 3 of your favourite long oo words.</p> <p>Watch: Long /oo/ Sound - Phonics by TurtleDiary</p>
<p>Literacy</p>	<p>Sing/say Twinkle Twinkle Little star together. Twinkle Twinkle Can you hear the rhyming words? Repeat the rhyme, adult to emphasise the rhyming words.</p> <p>Play rhyming stars pairs game. Adult: Print off the stars document attached or make your own stars. Place all stars face down and</p>	<p>Join Mrs Tagger reading the story 'How to catch a star' in today's zoom call at 1pm. How might you catch the star? Share your idea with your grown up. Write a simple sentence starting with I will..... Remember I is a tricky troll word and sound talk the word 'will'. Next, try sounding the other words with your grown up or</p>	<p>Discuss the pictures from 'How to catch a star - sequencing' document (see attachment). What is happening? Can you put the pictures in order?</p>	<p>Use the 'How to catch a star - speech bubble' document (see attachment). Think of a phrase or sentence that the boy could be saying. Write a speech bubble for the boy using your sound mats (in delivered packs) to help you with spelling.</p>	<p>Handwriting: Practise your letters/sounds that start with the c formation: C,a,d,g,o. Use your sparklemark sheet and letter formation sheet in the pack. You can practise writing your sounds on paper, with pens, paint, crayons. Try taking the fun outside: use brushes dipped in water, chalks on the ground, use a stick as a</p>

	<p>mix them up. Take it in turns to turn a star and say the word. Then try and find the rhyming pair. If you find it you can keep the pair. If the stars do not rhyme then turn the stars face down and the next player has their turn.</p>	<p>a grown up can scribe and you can draw a picture.</p>			<p>pencil on the ground, use your finger in sand, foam, paint!</p>
Maths	<p>Watch White Rose Maths video Alive in Five - Week 1 - Session 1 and complete the activity</p>	<p>Watch White Rose Maths video Alive in Five - Week 1 - Session 2 and complete the activity</p>	<p>Watch White Rose Maths video Alive in Five - Week 1 - Session 3 and complete the activity</p>	<p>Watch White Rose Maths video Alive in Five - Week 1 - Session 4 and complete the activity</p>	<p>Watch White Rose Maths video Alive in Five - Week 1 - Session 5 and complete the activity</p>
Curriculum activities	<p>Work through the 'What Makes Me Special' document (see attachment). Discuss what makes you special.</p> <p>Write down, draw or stick pictures on the star at the end of the document to show what makes you special.</p> <p>Your choice of activity on Purple Mash. Use your details to log in.</p>	<p>Understanding the World The boy in the story wanted to catch a star (Literacy). What else can be found in space? Make a list or mind map with your adult.</p> <p>Watch The Planets song for kids (quite long so you may want to break it up!)</p> <p>Your choice of activity on Purple Mash. Use your details to log in.</p>	<p>Join Melody on a Space Adventure using this clip from Cbeebies</p> <p>Prepare a space fact to share with Mrs McInerney during Thursday's Zoom Call</p> <p>Your choice of activity on Purple Mash. Use your details to log in.</p>	<p>Share Space facts at 1pm with Mrs McInerney during daily Zoom meeting</p> <p>Your choice of activity on Purple Mash. Use your details to log in.</p>	<p>Van Gogh starry Night artwork.</p> <p>Who is Van Gough?: Who is Vincent van Gogh? – Who Are They?</p> <p>Watch this Starry Night tutorial to inspire you to create your own starry night artwork.</p> <p>You don't have to use the video but it might be helpful to watch for ideas. You can use any media you like: paint, crayons, chalk, collage. You can complete this project over a few days. Have fun with it!</p> <p>Your choice of activity on Purple Mash.</p>

Physical Education Ideas

It is recommended that children take part in 1 hour of physical activity every day. Why not go for a walk, a bike ride or a welly walk? Or here are some useful links...

Boogie Beebies

Description: videos that get younger children up and dancing with CBeebies presenters.

Website: <https://www.bbc.co.uk/programmes/b006mvsc>

Disney 10 Minute Shakeups

Description: 10-minute activities based on Disney films that count towards a child's 60 active minutes per day

Website: <https://www.nhs.uk/10-minute-shake-up/shake-ups>

Super Movers

Description: videos which help children move while they learn. They support curriculum subjects, including maths and English.

Website: <https://www.bbc.co.uk/teach/supermovers/pshe-super-mood-movers/zm2gydm>

How to Catch a Star - sequencing

Look at the pictures and talk about the story.

What is happening in each one?

Can you put the pictures in order from the beginning to the end of the story?

How to Catch a Star - speech bubble

Think about this part of the story, what might the boy be saying? Write a speech bubble for the boy.
