

## Excitement in Acorn and Cedar Classes!

This week, Acorn took delivery of a batch of ready to hatch eggs. The children watched carefully and on Wednesday morning 3 chicks had hatched! Over the rest of the day, all but one egg hatched and the children have been super excited. They have made all sorts of things for the chicks and thought of a variety of names for them! There was similar excitement in Cedar

Class as the children realized that their fish have also had babies! They are so tiny we can't show a photo but they are doing well in the fish nursery!

## Lyla's Cherry Blossom Tree

Today, Willow Class were joined by Lyla's parents as we planted a beautiful cherry blossom tree and dianthus flowers to remember Lyla. It is by the Key Stage 1 playground and you are welcome to come and see it.

Lyla's family have asked for no flowers for her funeral. Lyla's aunt has set up a Go Fund Me page for donations instead and the link is here if you would like to make a donation to remember Lyla.
