

## The Big Ask

The Children's Commissioner for England, Rachel de Souza, has announced a nationwide survey to gather the opinions and thoughts of every child in the UK. Her job is to speak up for all the children in England, to stand up for their rights and to make sure that people in power listen to what children need and want. The survey part of it is being called 'The Big Ask'. It is an online, anonymous survey, and will give her the information and knowledge to influence government on policy making that affects our children. The aim is to enable every child to have a happy life and reach their full potential. Over the next couple of weeks, the children will have the opportunity to take part in the survey while they are at school. If you want to find out more about it, please go to the website

**Swimming Update:** Swimming lessons have started and the children have loved them! A general plea – please can you name every item of clothing, goggles and swimming hats. We have to be out of the changing rooms quickly and having named items makes it easier!

## Bourn Primary Academy

### 30 April 2021
