

# Weekly Review – Cedar Class

Friday 30<sup>th</sup> April

## THIS WEEK

We learnt about the features of explanations and how to turn instructions into explanations. We also learnt how to enhance our writing using prepositions and propositional phrases. In maths we have been learning how to compare and order fractions: we looked at fractions with the same denominator but also challenged ourselves using our knowledge of equivalent fractions to order fractions with different denominators. In Science we discussed how to group different food items into groups of similar properties. In Geography we attempted our first sketch map of the school grounds and in art, we experimented painting shells using watercolours.

## NEXT WEEK

We will be practicing writing descriptive sentences relating to our story using prepositional phrases and possessive apostrophes. In maths we will be adding and subtracting fractions within 1. We will review and try to improve our map drawing skills in Geography and we will be starting our new unit on Growing and Changing in PSHE; learning about how to look after our bodies and keep them clean.

## NOTICES & REMINDERS

Well done to everyone for remembering swimming kits this week. The children have really enjoyed starting their swimming lessons and being in the pool.

I have sent children home this week with their new list of spelling words and a complete list of all the spelling words learnt to date so that they can practise past words as well

Our Growing and Changing unit in PSHE starts next week.

## HOW YOU CAN HELP:

Please encourage your children to read every day and listen to them read as much as possible.

Make sure they keep reviewing past spelling words as well as weekly words so they don't forget words they have already learnt.

Quiz them on the possessive apostrophe and test their knowledge!

## HOME LEARNING;

Mental Maths for Wednesday

Times tables practice using TT Rockstars.

Daily reading and spelling practice.

Friday's spelling words: words ending in -ary

Additional optional homework: Topic web posted
