

# Weekly Review – Rosewood Class

Friday 30th April

## THIS WEEK

In Maths, this week we have been finding fractions of amounts e.g.  $\frac{5}{7}$  of 35 and using this to solve problems. We have also found fractions

In English, we have been developing our writing of different settings. This week we have been working on a woodland or forest setting. We went to the nature reserve and looked at this as a setting, worked in groups and developed our vocabulary further. After this, we have been writing about forest settings. They have worked really hard on this.

We have been continuing with our Romans topic in history and have learnt about soldiers in the Roman Army. We have done some drama based around this, which we really enjoyed.

## NOTICES & REMINDERS

We have continued working hard in Rosewood Class this week.

Reading and vocabulary is really improving in our class so that you for making a big effort for supporting this at home.

Our word of the week is **relentless** o Please check that your child knows what this means. It takes learning a word 7 times for them to have it in their vocabulary so the more we practise, the better we'll be.

It's great if children are asking questions about vocabulary that they do not know so please encourage this too.

## COMING UP NEXT WEEK

Some of the exciting things we will be working on next week include:

- \* Learning about Gaudi
- \* Starting work on cave settings in English
- \* Beginning work on decimals

## HOMEWORK

Daily Reading- reading records will now be checked every Monday

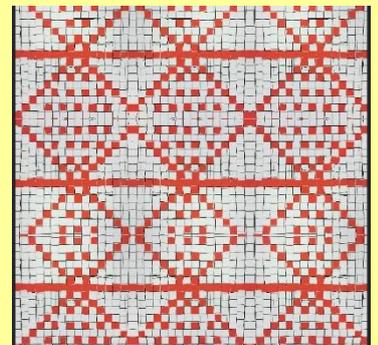

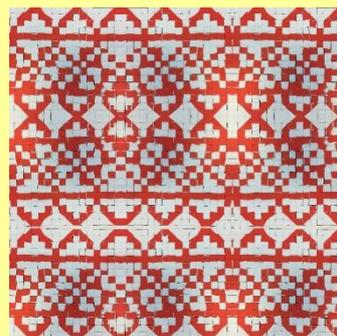

1000 points on TT Rocks a week

Weekly spellings- on Google Classroom

The Romans topic grid- on Google Classroom. This is due in on 26<sup>th</sup> May.

There has been some excellent homework, especially based on mosaics that has been handed in already.

These are some of our mosaics. I have used a mirroring app to show what our patterns would look like when they are repeated. ☺

hope courage justice forgiveness friendship
