

You are now a wildlife explorer! Make a list of all the different the animals and insects you find in your garden or your local park. If you can't find any, write down a list of what you think you would have seen.

With help from an adult at home, find some information about the Moon and create a poster to represent the information that you have found.

Write down 5 sentences which include each of these words.  
because  
beautiful  
everybody

# Year Two Summer Term Homework Map

Write down all your number bonds to 20.

Choose four activities to complete.

**Super challenge:** write all the numbers between 0 and 20, in words.

Write a set of instructions for an activity that you really enjoy doing at home. For example, you might want to write a set of instructions about how to bake your favourite cake or how to ride your bike. Don't forget to include imperative verbs!

Make an explorer's tent in your house or garden and imagine that you are going on an adventure.

Where will you go?

What will you see?

Why did you want to explore there?

Take pictures and write about your adventure!
