

Bourn's Magical Book Bus!

The bus has arrived! The children were so excited to see the new addition to the playground and have had loads of ideas as to how we can make it into the most magical Book Bus ever! I'd like to thank everyone who has already offered help and support – you and your friends and family have been absolutely amazing. We are still short of people who can offer carpentry skills in order to make bookshelves, and people who could re-upholster or make cushions for the seats that remain in the bus (see below). If you are able to help with these tasks, please click the survey link [here](#) to let us know. Thank you also for the donations to [the Just Giving page](#) – in only 3 days we have raised over £3,000 for materials and work that needs to be done! We are currently collating all the offers and will start to contact people at the start of next week with details of what needs to be done.

Thank you to MartaWierzbicka who has offered to donate 10% of her income from her Tropic Skincare business over the months of June and July. She sells freshly made, natural, vegan and cruelty free beauty products which you can see on her website <https://www.tropicskincare.com/pages/marthawierzbicka>

"I have noticed a few people have parked in the bus space and the double yellow lines by the corner. This can be dangerous, so please do not do this." Emily C
