

Dear parents and carers,

As you are aware we have a fantastic new addition to the KS1 playground - The Bourn School Reading Bus! This adventure is incredibly exciting and something that both parents and children can get involved in. The Bourn Bus Committee are already working very hard to secure the funding to complete the renovations and once those are finished there is the almighty task of filling the bus with wonderful books for our children to read.

With this in mind we are collaborating with www.bookwormsonline.co.uk to bring you a fantastic book sale. Not only do they offer a wide selection of books (cleverly sectioned into pre-school, KS1, KS2 and KS3) but at the close of the sale, the school gets to choose 1 free book for every 5 books we buy! On top of this, every single book on their website will be discounted to £2.50 with our exclusive school code giving you the opportunity to provide your children with lovely new books to keep them entertained over the summer holidays and help us to furnish the wonderful library bus with beautiful new books.

The book sale will run from **Thursday 1st July - Sunday 11th July** and details of our discount code will be sent out early next week. The books will then be delivered to school in the week of 12th July leaving plenty of time for them to be safely distributed before the end of term.

We hope you'll support us in this great project whilst expanding your own home library, we can't wait to see how many 'free' books we'll receive to get us off to a great start in making the bus an extraordinary space for our children to read and relax.

With kind regards
The Bourn Book Bus Committee
